

SONAS PRIME

For those who choose the best...

We are building for you a luxurious and comfortable complex, where there is everything for your rest and life: the sea, the sun and excellent infrastructure. The Sonas Prime complex is being built on a plot of 6.400 m², consists of 2 blocks, and will also have its own shopping center. The panoramic windows of the apartments will offer a beautiful view of the sea and Alanya. The complex will have a beautiful well-groomed garden, as well as its own underground passage to the beach.

Start of construction – 30.06.2022

Completion of construction - 30.06.2024
