

Welcome to Royal Towers!

Pursue the goal of benefiting our city and to be involved in improving our area life quality Royal Construction company realised new project named as Royal Towers.

Location:

Royal Towers project is located in the city centre on Sugoza district. The distance from the building to Antalya airport is 120 km, to Gazipaşa airport is 40 km and to Alanya sea port is just 3 km.

There are no problems with movement and transportation because of highway and ring road crossing are in close proximity of the project.

There are all necessary institutions as hospital, bank, school are in walking distance from the Royal Towers. There are bazaar and sea food market as well just in a few steps away where you can find the freshest products of the season.

Stores, supermarkets, cafes and restaurants are in the same line with the project and famous “Cleopatra” where the Blue flag set is 1100 metres away.
